****Wait Staff can cook on site (overtime for wait staff may have to be added) and if proper equipment is not present at location
there will be an up charge for renting the necessary equipment**

***Overtime occurs for extension of event beyond 3 hours, travel time for non-local events, or increased time needed for setup/prep
Overtime = \$25.00 / hour /wait staff. Any event with a travel time of 30 minutes or more will also incur a ‘fuel surcharge’ delivery fee
in addition to travel time for wait staff. Bon Appetit confirms wait staff scheduling 30 days prior to event – should RSVPs show a
significant decrease in guests, Bon Appetit cannot change the number of wait staff on your proposal.**
