œ Our Legacy œ

Gene Costa has been in the Restaurant Business for 40+ years. He was brought up under the tutelage of his Father and was Third Generation to a 60 year Restaurant in New York City. He was given a Proclamation in Manhattan’s City Hall and the Restaurant, Surprise Rotisserie, is in the History Books of the City and still today is a Legacy in Harlem. He and his wife Claudia have proudly created here at Bon Appetit not only a Restaurant with great food but one where you genuinely feel appreciated and acknowledged. A brief listing of “Our” accomplishments (because as Gene will tell you we are a “We” company not an “I” Company) highlights this experience and the knowledge that comes with it.

- Chosen by the Food Network to Cater their first “Wedding of the year” in 2004
- Site work for One Tree Hill and Dawson’s Creek
- Catered Operation Sail 92 on Ellis Island, Robert De Niro’s 50th Birthday and Many More
